Georgia Sec of State allowed NO BARCODE printed on Democrat ballots (untraceable) and MISALIGNED PRINTING to force adjudication for Republican ballots. UNACCEPTABLE and UNAMERICAN!!! (media.patriots.win)

1 ▼ This is willful TREASON. Send in the US Marshals and arrest this POS if Georgia isn't willing to do the right thing. I'm hoping Jan 6th there will be A LOT of gallows built in DC, for everyone to see what happens to traitorous scum. The Big Don is gonna put on one hell of a show.
